Congratulations

Dear Gail,
dear friends,
compañeras and compañeros,

We would like to congratulate you to your 30th Friendship Caravan through the U.S. and to Cuba.

And we would like to thank you for your important solidarity work with the Socialist Cuba, especially your great project "Pastors for Peace". We are aware that you do your struggle within the "belly of the beast". And day after day we can see how important your support for Cuba is -- highly contrasting with the Trump government's imperial and destructive activities against Cuba, Venezuela, Iran, Russia and so many others countries.

We spread articles about your activities and your caravan-program wherever we can. Finally, we wish you a successful struggle in the future, and much strength, a sensitive and strong spirit!

In solidarity
